

FFP Corporate Advisory Council Members

This special advisory group is made up of leading minds in the financial planning profession, exclusively including representatives of the Foundation for Financial Planning's (FFP's) largest corporate partners, also known as our Corporate 100 Club. The role of the Corporate Advisory Council is to contribute insights to FFP's strategies for making financial advice more accessible to underserved populations by enhancing the engagement of the corporate sector. *[Roster is current as of March 12, 2020]*
